WASHINGTON, Nov. 6.—There are some signs at least that business is not quite as bad as some critics say it is. Here are two of them:

Marine Corps enlistments: During the depression 73 percent of all Marines re-enlisted. They couldn't get jobs in civil life. The Marine Corps was a safe place to go.

Now Marine Corps re-enlistments have dropped to about 30 percent.

A study by Marine Corps headquarters shows that all the men dropping out have either jobs or good prospects.

Professor Reggie Tugwell: Never a great optimist, he now sees a chance for the Roosevelt Recovery program in the new move to replace slums with new houses. If properly pushed, Tugwell thinks this may give the lift-up required of industry.

FEUD

The State Department has seen many bitter feuds in its day and so have the mountains of Tennessee. One of the Tennessee feuds involved the father of Cordell Hull. He waited ten years to get his man.

That may explain the antipathy now existent between Cordell Hull and William Christian Bullitt.

Bullitt served in the State Department during the Wilson regime. He went to the Versailles Conference as an adviser to Woodrow Wilson. Afterward he was hailed before the Senate committee investigating the peace treaty.

Bullitt was extremely frank. He branded the treaty as a sham and a delusion. He said it would cause trouble in Europe for years. His testimony helped kill Senate ratification of the treaty and of the League of Nations.

Many Wilsonian Democrats considered Bullitt's testimony treason to Democracy. Among these was Hull. Like his father, he did not forget.

Imagine his surprise, therefore, when one day a newspaperman informed him that the White House had announced Bullitt's appointment as "Special Assistant to the Secretary of State." Hull nearly jumped out of his seat.

The climax of the feud came in London. Bullitt was in the American delegation, but could find little to do. One day he got in (Continued on Page 3)

High Students To Present Its Annual Dramas

Richmond Union high school will present on Friday, November 17, their semi-annual evening program. It will consist of two one-act plays and a special attraction.

CITY PROTESTS NEW KEY BUS SERVICE

SCHEDULES ARE SCORED BY COUNCIL

The residents of Richmond, the members of the council, and the industries of the city are not at all satisfied with the bus schedule that is to be put into effect today.

Richmond is almost being placed in the position of having no transportation system, and the resolution adopted by the council last evening, viewed the situation from that standpoint.

Protest Made
The resolution is one of protest against what the street car company is attempting to "hand" Richmond. It will be sent to the transportation company, and if relief cannot be secured, the matter will be taken up with the rail road commission.

With the large number of people employed by industries at Stege, that section is left with practically no means of transportation. In the middle of the day the busses are taken off, and in the evening the same thing happens again.

Stege Protest
In the Stege district, if a housewife comes to Richmond about 9 in the morning she will be unable to get a bus back before 2 (Continued on page 9)

Stockton Jap Kills Woman, Shoots Self

SACRAMENTO, Nov. 6.—UP—T. Ozawa, Stockton, killed himself with a shot through the mouth here tonight after allegedly shooting and killing Mrs. Shikua Yasuy. Police said Ozawa came to visit Mrs. Yasuy and found her in a boarding house of the Oriental quarter. He led her to the rear of the building. Several shots were heard. Officers said they believed the shooting was the climax of a quarrel.

Sciots Delegates Return from Trip

Allen J. Cundy, Mr. and Mrs. E. C. Lambrecht, Mr. and Mrs. Errol Lane and Mr. and Mrs. Harry F. Chapman, returned Sunday from Santa Barbara where they attended the recent Sciots convention.

The local visitors reported that they enjoyed a "wonderful time" during their stay in the southern city.

Pittsburg's NRA Meeting Postponed

The scheduled meeting in Pittsburg, Wednesday night, with Geo. Creel, NRA administrator for California, as the speaker, has been postponed by Frank J. Hollender, county administrator for the NRA, according to announcement made by Hollender today. Other meetings made the date impracticable he stated. Arrangements are being made for another meeting at a later date.

Veteran Post Will Install New Heads

Installation of officers for Honor Post V. F. W. will be held this evening at Memorial hall, with A. A. Hughes presiding.

The ladies of the auxiliary will install at the same time. It was announced.

All members of these two organizations have been asked to be in attendance. Dancing and refreshments will follow the installation ceremonies.

Harbor Masons in Plans For Events

Plans for their annual past masters night, which will be held late this month were discussed last evening when Harbor lodge of Masons held its meeting last evening.

George Ellis presided over last night's meeting of the organization.

A New Fad

THE latest fad, among the ladies, is to match your dog to your hair, or vice versa. This young lady, whose white platinum tresses are exactly duplicated in her pet, is Claire Ray of Chicago.

Divorce Case Sensational Charge Made

MARTINEZ, Nov. 6.—A charge that during their married life his wife manifested every desire and intention to hasten his death so that she might cash in on a \$10,000 life insurance, was made today by James A. Ralls in filing suit for divorce against Mary Ralls through Attorney A. G. Thompson of El Cerrito.

Ralls states that he is a totally disabled World War veteran, drawing a pension from the United States government and has a policy for \$10,000.

At the time he married his wife she knew the facts, Ralls charges, and thereafter tried to hasten his death. He declares that his disability consists of a disease of the heart and that his wife's desire to hasten his death was shown by the alleged fact that whenever he had attacks she failed to care for him or do anything to revive him.

The plaintiff charges that while on a fishing trip he overheard his wife's brother tell her that "now is the time to bump him off and throw him in the lake, and if she would not do it he would."

He further complains that his wife on one occasion struck him with a twisted wet towel.

At the time of his marriage Ralls states he had two children by a former marriage, and he was anxious to establish a home for them. He said one of the main reasons he married was for that purpose but that his wife abused the children so much that the Children's Welfare Aid and Red Cross of the city of St. Paul, Minn., took the children from the home.

The couple married September 22, 1922 and separated January 20, 1926. Ralls also charges his wife with desertion.

New Contract Is Awarded for Wharf Work

The G. W. Kitchen company will start work this morning on the new ferry system at wharf No. 1, and with the contract that was awarded by the council last evening, the work on the substructure of the same wharf can proceed at the same time.

There were four bids received for the granite concrete work. The lower bidder was Case Construction company, whose offer was \$8,251. The other bids were Healey Tibbets company, \$8,886, Duncan Harrelson \$9,106 and M. B. McGowan company \$9,087.

IS RECOVERING

Henry Thole, of 919 Thirty-second street, who has been suffering from an infected finger, is reported to be recovering rapidly. He is employed by a local grocery store.

HA HA CLUB LOSES MOVE FOR LICENSE

Last week the council denied a beer permit to Robert Holt of Oakland for the Ha-Ha club (33 Nido Cafe) in the Richmond Annex because he could not comply with the provisions of the ordinance.

Last night Carl Stender, made an application for a similar permit at the same place, and it was continued over until he could comply with the ordinance and get the "OK" of the chief of police.

Ask Special Meet

Stender's efforts were made to have the council hold a special meeting Friday morning and grant the permit so that the place could open up and sell beer on Armistice day, but the motion was lost by one vote.

Rev. Meryl Bish of the Stege Presbyterian church, was present watching proceedings, and he said he had received many complaints regarding the character of the place the new owners intend to operate.

Stender Questioned
When the application first came up, Councilwoman Mattie Chandler, asked Stender if he was the owner of the place.

Stender replied that he expected to sign up with the owners Thursday morning, by which time he would be the manager and the publicity agent.

Ludwig Talks

Councilman Ludwig—Mr. Stender, what does the proposed agreement provide for?

Hit Run Car Driver Hits Parked Auto

Police last night were searching for a hit run driver who badly damaged an automobile parked in front of the home of W. B. Foster, 106 Chanslor avenue.

According to police reports an unknown driver smashed his car into Foster's machine and then fled without stopping.

Poster's car received a bent axle, damaged fenders and a broken bumper.

The mystery car left its bumper behind in its flight. No clues were found to the identity of the car.

El Cerrito Fire Boys Plan Whist

The El Cerrito fire boys are giving a live Turkey Whist party on Saturday November 18, at the Fairmont school auditorium, Kearney street between Eureka and Stockton streets.

There will be one turkey to every two tables with a turkey for door prize.

The committee in charge consists of V. Belfils, E. J. Hastings, and Melvin Patterson, and they assure every one that the turkeys will be first class, and well worth the time and money spent in trying to win one.

Truck Parking Now Prohibited

An ordinance was adopted by the council last evening which prohibits vehicles, conveying explosives and inflammables, from parking on the streets of the city.

An additional paragraph was added, at the request of the oil companies, which would permit gas-trucks to make deliveries to customers.

The adoption of the ordinance was brought by the many complaints about big trucks and trailers, being parked on the streets at all hours of the night.

Troops Are Asked In Farm Riots

WEBB RULES ON LIQUOR

VIOLENCE IN BIG STRIKE IS GROWING

DES MOINES, Ia., Nov. 6.—UP—Destruction spread through mid-western states today in a reign of violence set up by striking farmers.

One man, a picket, was killed in Nebraska. His was the second death since the strike was called two weeks ago. A railroad bridge was burned and a livestock train was raided in Iowa; telephone wires were cut and barks shut off in Wisconsin; 5000 farmers mobilized in Minnesota; and women, armed with flatirons as weapons, joined their menfolk in trying to stop produce shipments.

Leaders said that pickets had increased from 50,000 to 100,000 overnight. They claimed that at least 250,000 other farmers were withholding produce under the "buy nothing, sell nothing" edict. Pickets tried by force to make others adhere to it also.

Strike leaders claimed that produce shipments into more than 40 Wisconsin counties had been greatly reduced and that some towns were cut off from supply sources.

Governor Albert Schmiedeman of Wisconsin and Gov. Clyde Herring of Iowa said that they would not call out National Guards.

Mayor W. D. Hayes of Sioux City, Ia., came here tonight by airplane to plead with Gov. Herring for National Guardsmen in his territory. One of the most spectacular developments was near Sioux City, where pickets raided a train and freed eight carloads of livestock.

Street Lights Of City Poor, Says Ludwig

The light committee of the council will make an investigation of the lighting system of the city. Councilman Ludwig said the city was paying \$39 a year for each light, and some of the lights were extremely poor, in fact giving almost no light. Ludwig cited two lights, that he claimed served no purpose at all.

The result of the discussion was that the light committee was instructed to investigate and find out the trouble with the street lights, whether the voltage was low, or whether a poor type of lamp was being used.

Red Men Lodge to Have Dinner Meet

A dinner meeting to be held next Monday evening was planned last night when Onetah Tribe of Red Men held their meeting at Red Men hall.

There will be prominent speakers present next Monday evening, and the Onetah Council of Pocatontos will be invited to attend, it was stated.

Plans were furthered by the organization for its turkey shoot November 22 and 23 and its annual turkey whist party on November 27.

R. R. Coudyser presided last night.

VISITOR HERE

P. T. Poage and family, of Sacramento, were visitors at the home of Poage's father and mother, Mr. and Mrs. A. H. Poage of Richmond Sunday. P. T. Poage is connected with the state architect's office.

State Asked Red Cross To Take Over Drive Will 2 Highways Be Started

As the result of a report made by Councilman W. W. Scott last evening of a meeting held at Sacramento last week, on the proposition of the state taking over certain highways in the city, the council adopted a resolution, asking the state authorities to make a survey of Cutting and Panhandle boulevards, and estimates of the proposed improvement.

Scott stated the delegation from Richmond, was very favorably received, and he was in hopes the state would assume the burden of upkeep of these two highways in the future.

New Bridge to Be Named After Charles F. Curry

At the meeting of the Supervisors at Martinez yesterday, the first steps toward the opening of the extension of Tenth street north, connecting with the San Pablo highway, was taken, when the board decided to advertise for bids for a new contract bridge crossing the San Pablo creek, near the Kum-rill place.

The new bridge will be a modern concrete structure, and on the suggestion of Supervisor J. N. Long, it will be named the "C. F. Curry Bridge" in honor of the late congressman.

The structure will be 70 feet in length and 34 feet in width, and will carry three lanes of traffic.

The call for bids provides that all local labor must be used, and that the concrete for the structure, must be mixed on the job.

STATE RUM LAWS TOLD BY OFFICER

SAN FRANCISCO, Nov. 6.—UP—Hopes of hotel and restaurant proprietors for immediate liberalization of liquor laws—already anticipated by open sales of hard liquor in many cafes and several hotel dining rooms—were apparently blasted here today.

Attorney General U. S. Webb ruled that "no hard liquors can be sold, served or consumed in hotel dining rooms. Only wine and beer may legally be sold in hotels and restaurants after repeal."

Opinion Given

The opinion was given to the state board of equalization, which is charged with liquor control after the repeal of the 18th amendment.

A majority of restaurants, cafes, and several hotel dining rooms, were reported to be openly selling wines, cocktails and high balls at present, and without molestation.

Course Told

Webb's opinion indicated, however, that there will be no state prohibition enforcement until final repeal and that meantime enforcement must come from federal aid (Continued on Page Eight)

New Strike In Cotton Fields Fails to Rise

TULARE, Nov. 6.—UP—A threatened strike of cotton pickers in the Pixley and Earlimart districts called for today, failed to materialize.

The pickers had demanded a 10-cent increase in wages and recognition of their unions. State highway patrolmen said that all growers had full crews and no picketing was in progress today.

Although 4,000 Mexicans were said to be enroute to the cotton fields from Los Angeles to speed picking operations, only three automobile loads had reported late today.

Johnson Plans to Oppose Gov. Rolph

SACRAMENTO, Nov. 6.—UP—State Treasurer Charles G. Johnson, who has not definitely announced himself a gubernatorial candidate, virtually admitted today his hat was in the ring.

"I realize that our state is now bankrupt," he said, "and that the governor during the next few years faces a most serious responsibility in guiding the way back to solvency. I am willing to assume the administrative leadership because I am confident that through needed governmental reforms, our present distressing financial problems can be solved and the state once more can return to solvency."

Odd Fellows Will March in Parade

The district meeting to be held at Rodeo on November 18 was discussed when Odd Fellows lodge of Odd Fellows met last night in Odd Fellows hall.

The local lodge will have a class of candidates to be initiated at the Rodeo meeting.

Eclipse lodge will enter the Armistice Day parade here Saturday, it was announced.

Raymond Berk presided last night.

Soviets Warn Japs to Keep Planes Away

TOKIO, Tuesday, Nov. 7.—UP—officials of the Soviet government said today that if Japanese airplanes repeat their asserted flight of yesterday over Russian territory they will be fired upon.

It was not made known, however, whether the threats were contained in the formal protest that Russian Yurev lodged with Foreign Minister Koki Hirota of Japan.

Yurev said that nine Japanese army planes flew over Russian outposts at Vladivostok.

It was indicated that Russia had long expected such a flight, since Japan had been unable to obtain information on defenses of the city and air-passes by other means.

Byrl Horne Pitches For Ball Outfit

Byrl Horne who makes his residence in this city divided the pitching chores with Vernon Gomez at Martinez Sunday afternoon in a game between the Major-Minor All Stars and a picked team were at their best in subduing the Refinery nine by a 3 to 0 score.

Horne pitched the last six innings and was in no danger of being scored upon while "Lefty" Gomez struck out eight batters in his three innings on the mound.

Horne, who pitched brilliant ball for the Sacramento Senators, the past season, has announced his intention of retiring from organized baseball and should be a welcome addition to some club in the Refinery league next season.

Speaking Of Sports

ST. LOUIS, Mo., Nov. 6.—UP—Although bucking the toughest kind of promotional competition, John (Doc) Krone, Chicago impresario, has moved in here with the intention of finding out who the heavyweight wrestling champion of the world really is.

The competition here is Thomas N. Packs, top-sergeant of mat and ring affairs for 12 years, during which time 33 previous competitors found it impossible to storm his stronghold.

Elimination Matches
But the 60-year-old, 200 pound Krone, unabashed, has announced a series of elimination matches open to all comers, will be held here and in Chicago until only six aspirants for Jim Brown's "HOL" remain.

Then, he says, he'll match those six in three matches, the last to be held here in Chicago, whichever city offers the highest bid.

Browning leads the list of matmen Krone says he already has lined up for the eliminations—negotiations for others are going forward, and thereby comes the tough part of Krone's program.

Without London and men of his stable, the eliminations would be bound to be a "flop" and London and Packs are contravening, very friendly, if Packs cracks the whip, London may be expected to spoil Krone's whole show.

Two Promoters Wary
The attitude of the two promoters toward each other illuminates Krone's prospects.

"Would you call a man your friend," Packs asked, "if he set up, next to your store, the same type of business in which you operated? We have been friends in the past, yes."

Krone, unruffled put it this way: "We always have been the best of friends. Packs is a very lovely fellow. He is an asset to the game and he undoubtedly knows the game. But I think I just have a little more showmanship than Packs. I do things differently. Unusual, you know."

Krone, with 35 years' experience, rates Browning as the best of the heavy matmen. Packs gives the palm to J. London, fellow countryman, which is a conceivable indication of how far Krone may get.

Plans for future events were discussed last evening when the Richmond Sportsmen club held its meeting at Brotherhood hall.

Gordon Perault, delegate to the recent Associated Sportsmen convention held in Santa Cruz reported to the organization of work accomplished at the state meeting.

Announcement was made that next meeting night, November 20, a banquet and social will be held. D. S. DeLaney, president of the club, has been awarded a prize for the largest fish landed during October—an 8 1/2 pound bass.

A number of members plan to go to Big Break on Sunday to

compete for a 200 yard Bay City Reel which will be awarded to the member landing the biggest fish. William Hampshire has donated the reel. A party will be held at the club there on Sunday evening.

ANN HARBOR, Mich., Nov. 6.—UP—Carl Savage, rated as one of the best guards in the Big Ten conference, will be lost to Michigan for the remainder of the football season, it was learned today. An X-ray revealed that a bone in his foot was fractured in the Illinois game at Urbana last Saturday.

MEMBERS of the Civilian Conservation Corps at the camp at Barnum Pond, N. Y., move from tents into their new winter barracks just in time. The barracks were completed only a day before the first snow fell.

OAKLAND AUTO RACES WILL BE HELD NOV. 12TH

OAKLAND, Nov. 6.—Still to closely bunched that the 1933 Pacific Coast auto racing championship is still hanging in the balance, Rex Mays, Ernie Triplett and Al Gordon, come to the Oakland Speedway next Sunday afternoon, November 12, to do battle for the title in no frame of mind to be joking with each other.

The sensational Mays of Riverside who led the 100-mile feature event at the Oakland Speedway Oct. 22 for 21 miles has an edge on his opponents which puts him a little further ahead of his rivals than he has been since the twenty-second. Their standing as just announced by Oakland Speedway officials is: Mays 526.69 points, Triplett 469.10 and Gordon 455.49. However, despite the fact that Mays has a 71.20 marker lead over Gordon first place at Oakland on the twelfth in that 100-mile battle will pay 83 1-3 points, sufficient for Al to go places and do things should he win.

Reports reaching Oakland from the southern California city state that of the three, Al Gordon is at present the most confident. "I didn't force Mays so hard on the twenty-second that his car developed mechanical trouble?" Al asked. "And when he was in the running I had just as much speed as he had."

Then last Sunday at the Legion Asset Speedway I led the field for 50 or the 100 laps. If I hadn't broken a magneto Rex would have been one of the also runs because he did not get out in front until I was forced to my pits."

Football Teams Play on Saturday

CROCKETT, Nov. 6.—When the prep football teams of Concord and this city meet on the gridiron Saturday afternoon to decide their supremacy in C. C. C. league play it will mark one of those strange cases where a team competes for the second time in a season against each other.

An early season meeting between the two resulted in a scoreless tie. There will be an armistice day celebration prior to the game and in this event will parade the fraternal orders of the city headed by the famous "C and H" band.

GOLDEN BEARS RETURN FROM UCLA BEATING

BERKELEY, Nov. 5.—UP—After loading down against their new little brothers from U. C. L. A., the Golden Bears took things easy today in preparation for the game with Washington Saturday. Coach Elmer Hunsan was openly disappointed at the showing of his varsity in being held to a scoreless tie by the Uclans and declared strenuous practice sessions will start Tuesday for the Husky game.

SANTA CLARA, Nov. 5.—UP—"Clipper" Smith gave his Santa Clara varsity a day off today after the Broncos' 13 to 0 victory over Rice Institute Saturday. Santa Clara's next contest is the annual joint with St. Mary's competitors of Fordham.

STANFORD, Nov. 6.—UP—Satisfied that his team had really started clicking, Coach Tiny Thornhill of Stanford, voiced optimism today about the Cardinal's chances with the University of Southern California in their annual game Saturday. Thornhill had Frank Alustiza, Bobby Grayson, Hamilton and Van Dellen in the first string lineup at today's practice session.

SAN FRANCISCO, Nov. 6.—UP—The return of Bill Hinch and Vic Wilson to the end positions on the University of San Francisco varsity today brought the Dons up to full manpower for their game with Loyola here Sunday.

Beavers Prepare For Annual Game

CORVALLIS, Ore., Nov. 6.—UP—Rumors that Bill Tombeck, Beaver tackle would be recovered from spinal injuries and play against Oregon Saturday were scattered here today by Oregon State football leader, Sylvain's King of Mrs. S. E. Pass defense was practiced today. The Beavers being impressed with Oregon's forward pass attack against Utah Gee and Pepljak went over to touchdowns after hauling down long heaves.

NURSE SLAYER WILL TELL ALL IN COURT TRIAL

SAN FRANCISCO, Nov. 6.—UP—Frieda Wilhelmina Wetz, red-haired San Francisco nurse, will tell for the first time why she went to the Santa Cruz estate of F. J. M. Grace, wealthy shipping man, with a loaded gun last September 9, when she is tried for the murder of Grace next Monday, according to defense plans today.

John Duggan, Pittsburg, Pa., attorney, flew here to aid Stanford Smith, Santa Cruz attorney, in the defense of Miss Wetz, former war nurse and resident of Pennsylvania.

Duggan denied that Miss Wetz "stalked" the retired importer for more than a year before she shot him on the lawn of his estate. He implied that she did not intend to kill her former employer when she accosted him.

"We realize the district attorney has a statement from Miss Wetz which might tend to incriminate her," said Duggan, "but it was obtained when she was not in full possession of her mental faculties. She was sick, suffering from shock and a dose of sleeping medicine taken immediately following the killing."

We feel when all evidence has been disclosed, it will be conclusively established that Miss Wetz was not guilty of any wilful, premeditated, deliberate murder."

The middle-aged nurse consistently refused to reveal her motive for the act.

Oregon Will Meet Oregon State Team

EUGENE, Ore., Nov. 6.—UP—Out of the Utah game unscathed, the Oregon football machine started training in dead earnest for the "battle of the century"—the season's "natural"—against Oregon State College at Portland Saturday. Mark Temple, halfback, Biff Nilsson, tackle, and Bobby Parke, quarterback, all first stringers, will see action after injury layoffs.

Phelan Preparing Squad for Bears

SEATTLE, Nov. 6.—UP—After Coach Jimmie Phelan personally scouted California he prepared today to test the lessons learned today with a hard scrimmage for all regulars. Frosh and a team of ineligible have practiced for several days in perfecting California plays.

Weil Resigns As Head of Red Team

CINCINNATI, Nov. 6.—UP—Sidney Weil, president of the Cincinnati Reds for four years, today resigned that office and his place on the club's board of directors after having lost personally more than \$500,000 during his tenure with the baseball organization. No one was elected to succeed Weil as president.

Light and Hydrant
A street light was ordered installed at the corner of Twenty-second and Roosevelt, and a fire hydrant at Fortieth and Clinton.

Soft Drink Permits
Permits for the sale of soft drinks were granted Mrs. Velma Felder, at Critchett and Factory streets, Charles Strauss at 1434 Macdonald avenue, and E. Sievers and J. Ryan, 1326 Macdonald avenue. A soft drink permit was denied C. Stender for the Ha-Ha club in Richmond Annex.

Lot is re-zoned
On the recommendation of the city planning commission a lot of Frank Cheek at the corner of Tenth and Lucas was rezoned from residential to commercial.

Invitation Accepted
The invitation of Richmond Post-American Legion for the council to attend its meeting November 8th was accepted. Homer Chelenux, the commander of the department of California will be the speaker of the evening.

Miscellaneous Matters
The request of 70 residents of the city asking that handball courts be established in Nicholl park, was laid over until the end of the year, when the new budget will be made up. There are no funds allotted for such a purpose this year.

The application of E. M. Rogers of the Standard hotel for an on-sale beer permit was laid over for future consideration. Chief of Police E. L. Jones stated he was not ready to sanction a permit at this time.

The fire loss for the past month totaled \$6,415, of which \$4,433 was on contents.

"PRICE FIXING"
Behind the threatening clamor of the Mid-Western farm strike for "parity prices" is a definite objective. What farm leaders really want is government price fixing of agricultural commodities.

The Administration is greatly concerned over the farm uprising. Confidential reports have come to it that the resentment is widespread and deep-rooted. Roosevelt is worried not only over the political repercussions inherent in so far-flung a disaffection, but over the underlying price fixing demand.

The President, Secretary Wallace, and their agricultural advisers, view price fixing as unsound. They cite the costly and disastrous Hoover stabilization attempts to prove their point. But with the farmers crushed between falling prices of what they have to sell and rising prices of what they have to buy, the Administration fears it may be forced to price fixing.

Secretary Wallace, emerging from a White House conference, asked if he was still opposed to price fixing, replied: "Yes, at least for the present."

TOUSE CLEANING
A lot of secret dynamite is behind Roosevelt's determination to clean out the tariff commission.

The President has been told that a clique of investigators has caused the dismissal and demotion of experienced experts because they refused to "doctor" their reports in their places. It is charged, were installed men of inadequate training but compliant.

F. D. R. also has been privately advised that Thomas O. Marvin, ultra-Tory former chairman of the Commission, still hangs around its offices, wields considerable influence in tariff decisions. Marvin is now a practicing lawyer.

NEW BUSES WILL START HERE TODAY

The "Toonerville trolleys" that filled the nights and days with clanging of bells and the knockings of flat wheels are no more, ready to take their place in the archives of the museum of transportation.

For today, with the start of the new bus system in Richmond, there will be no more street car service in Richmond. Instead, fast buses will transport Richmond citizens throughout the city and to Oakland.

All street car rails in Richmond and on San Pablo avenue to Ashby avenue, Berkeley, will be torn up and the streets will be repaved and repaired.

The first bus from Oakland was scheduled to reach Twenty-third street and Macdonald avenue at 6:02 this morning. From then on 20 minute service will be in effect.

An Oakland-Richmond express line from Sixth street, Richmond, to Tenth street, Oakland, will start at 6:50 this morning.

According to Alfred J. Landberg, president of the East Bay Motor Coach Lines, Ltd., who are providing the service, efforts will be made to provide convenient service for the riding public.

A number of changes will take place today and as a result Landberg issued the following statement yesterday to local residents, informing them of the new service:

Express Service
"No. 72 Oakland-Richmond Express. This line will operate from Sixth street, Richmond, to Tenth street, Oakland, over the following route: Commencing at Sixth street and Macdonald Avenue, Richmond, along Macdonald avenue to San Pablo Avenue, along San Pablo Avenue to Broadway, Oakland, along Broadway to Tenth street, along Tenth street to Washington street, along Washington street to San Pablo Avenue, over the same route to Richmond."

"The No. 72 express service will make no stops for local passengers between Twenty-second street, Oakland, and Ashby Avenue terminal, Berkeley. Local stops will be made south of Twenty-second street, in Oakland, and north of Ashby Avenue, Berkeley."

"The No. 72 Oakland-Richmond Express will operate on a 20 minute headway, daily except Sunday, throughout the daylight hours. The first express coach bound for Oakland will leave Richmond at 6:50 a.m. and there will be express service every 20 minutes thereafter throughout the day. The last through express coach will leave Richmond at 5:30 p.m. The first express coach bound for Richmond will leave Oakland at 7:37 a.m. and the last at 6:17 p.m."

Supplemental Service
"No. 73 Oakland-County Line Express. This line will operate between Oakland and the County Line as a supplemental service to the No. 72 line during the afternoon hours of peak travel. Service will operate from Oakland over the same route as the No. 72 line but will terminate at the County Line on San Pablo Avenue. Coaches will leave Oakland, daily except Sunday, at 4:47 p.m. 5:07 p.m., and 5:27 p.m. No local stops will be made between Twenty-second street, Oakland, and the Ashby Avenue terminal, Berkeley."

"No. 74 Ashby Avenue-County Line. This line will operate from the Ashby Avenue terminal along San Pablo Avenue to the County Line. First coaches on this line will leave Ashby Avenue terminal at 5:04 a.m. and County Line at 5:26 a.m. daily except Sunday. Last coaches will leave Ashby Avenue terminal at 1:01 a.m. and County Line at 1:25 a.m. On Sundays special schedules will be observed."

Ashby-Richmond Line
"No. 75 Ashby Avenue-Richmond Line. This will operate from the Ashby Avenue terminal, Berkeley, to Sixth street, Richmond, over the same route as the No. 72 line. First coaches will leave Ashby Avenue terminal at 4:54 a.m. and Richmond at 5:30 a.m., daily except Sunday. Last coaches will leave Ashby Avenue terminal at 12:41 a.m. and Richmond at 1:16 a.m. On Sundays special schedules will be observed."

Pullman Line
"No. 76 Pullman Avenue Line. This line will operate from Potrero and San Pablo avenues, along Potrero Avenue to Pullman Avenue, to Twenty-third street, along 23rd street to Macdonald Avenue, Richmond. The service will be a peak hour service only and will operate daily, between

TO CONSIDER NEW ROADS AT MEET TODAY

Two Richmond Chamber of Commerce committees—Traffic and Streets and Highways—will meet jointly tomorrow morning to hear a report on the progress that is being made toward the proposed new industrial highway for Contra Costa county, a project which is receiving the enthusiastic support of this city.

Richmond has thrown its support behind immediate construction of the eight-mile link between Willow Pass and Muir, on the Franklin canyon road, and will ask to bring about this development as the first phase of the larger, wider proposed new road will traverse Contra Costa county from Brentwood to Richmond, following a route somewhat back from the present bay shore alignment, and entering the Franklin canyon near Martinez; this road to be straightened, widened and made into a modern high-speed industrial highway.

The complete plan may not be developed at once, and it was felt by the Richmond chamber that the building of the link between Willow Pass and Muir would be highly beneficial to Richmond, as it would help to divert a large amount of traffic in this direction which is now going over the Tunnel road.

W. W. Scott for the traffic committee, and Fred S. Newsom for the streets and highways group have called their members together for a joint conference Wednesday.

A large delegation of Richmond men recently went to Sacramento for a conference with the State Highway commission, and a report will be made.

HOLLYWOOD, Nov. 6.—UP—Director Norman McLeod, who is guiding the destinies of "Alice in Wonderland" had a nightmare the night he dreamed that Gracie Allen was in Alice's place at the mad tea party.

It was pretty awful, according to McLeod. Gracie no sooner said "Isn't there something" the Mad Hatter said "No room!" "Silly," said Alice, "I don't want room. I just want something to eat."

"That's my favorite saying," Alice admitted. "Invitation is the sincerest flattery."

"Help! Help!" sobbed the Dormouse. "Make the reserves!"

"Make mine strawberry," suggested Alice.

"I'll have something," the Mad Hatter said.

"I'm afraid not," said the Hatter, turning to Alice. "But I'll try. Just what is your attitude toward life?"

"I've been up once," smiled Alice.

"Been up where only once?"

"In an airplane 5,000 feet at altitude, silly."

"It's very funny," said the Dormouse. "You talk like your mentality was slightly abnormal."

"Oh, Alice laughed. 'I'll bet you tell all the girls that.'"

"It would be a pleasure," said the Hatter. "But I'm getting mixed up. Are we supposed to be mad, or are you?"

**SPENCER TRACY
IS STARRING
AT FOX TODAY**

Opening today at the Fox theater the new Fox film, "The Power and the Glory," introduces "narrative" to the American screen. It is the Jesse L. Lasky production that has been heralded throughout the motion picture world as the film that will revolutionize movie making.

Narrative is the technique evolved by Lasky from the original script prepared by Preston Sturges, noted playwright. It is the method of telling a story that takes the high lights in a man's life and weaves them into a unified pattern without subjecting the incidents to a chronological order. It is this technique that is said to place unusual emphasis on the important elements in the film, thus clearing the way for better character development and clearer retelling of the story itself.

The plot concerns the evolution of a simple, poor, uneducated young trackwalker into one of the most powerful railroad magnates in the country. It shows him as he leaves a life of simple wants and small pleasures and enters a life of intrigue and romance that for the first time in the memory of any of his friends and enemies, sidetrack him from his main purpose—that of becoming richer and more influential. The story shows the love of one woman true, sacrificing and narrow—and the love of another—more liberal but less strong.

Spencer Tracy, in what is said to be the outstanding role of his career, portrays the central character. Colleen Moore, absent from the screen for the past three years, makes what is reported as a triumphant return in the leading feminine role. Others in the cast are Ralph Morgan, Helen Vinson, Clifford Jones, Henry Kolker, Sarah Padden, Billy O'Brien, Cullen Johnston and J. Farrell MacDonald.

William K. Howard directed the production, using Preston Sturges' original script as a direct guide in mounting the scenes.

WEST SIDE COUPLE ARE QUIETLY WED

Miss Ruth Elizabeth Brown and Louis A. Schmitz, popular west side couple, were married at a quiet ceremony at the Our Lady of Mercy church on Sunday.

Rev. A. Doyle read the ceremony which was witnessed by a large crowd of relatives and friends. The bride, in a dress of blue velvet, with hat and shoes to match, and carrying a bridal bouquet of gardenias and lilies of the valley, was given in marriage by her father, William A. Brown.

Miss Mary Schmitz, sister of the bridegroom, served as maid of honor. Her dress was of bronze green with accessories to match and her bouquet was of roses. S. Richard Newman of Stockton, cousin of the bride, was best man.

Dr. S. K. Daugherty of San Francisco was usher, and the wedding march was played by Mrs. A. L. Muth. Following the ceremony, a reception was given at the Brown home for the bridal party and a few close friends.

The couple are now honeymooning at Monterey and Carmel, and plan also to visit Yosemite. Upon their return in two weeks, they will be at home at 319 Washington avenue.

Schmidt has lived here for the past ten years, coming to Richmond from Oklahoma. He has been residing with his sister, Mrs. Mary Schmidt, on the West Side, and for some time has been connected with the office force in the local Pullman shops.

His bride, daughter of Mr. and Mrs. William A. Brown of 29 Piedmont place, is a graduate of the Richmond schools, and has been bookkeeper at the Pioneer Electric company for some time. She has been the incentive for a number of pre-nuptial showers.

MARRIAGE OF LOCAL PAIR IS OBSERVED

Miss Katherine A. Lodetti, of North Richmond and Francis Batt, of the West Side, were married by Rev. M. H. Crotty at a quiet ceremony on Sunday.

The bride was beautifully gown'd and carried a bouquet of gardenias. She was attended by her sister, Miss Rose Lodetti. Elmer Swager of Giant served as best man. The wedding march was played by Mrs. Bennett. After the ceremony the couple were honored at a party.

The bride has been employed by the California Cap works. She is a graduate of Sonoma schools. Batt is employed on a trans-bay barge.

LUNCHEON IS ENJOYED BY LOCAL CLUB

"Home Economics Day" was observed yesterday when the Richmond club held its meeting at the clubhouse. Mrs. Sadie Newford was chairman of the day.

Mrs. Estelle Brightwell-Wood was the speaker of the day. She prepared and served a demonstration luncheon and then during the meal gave a talk on home economics. A business meeting was held at which time it was announced that Mrs. E. Plawser, of Santa Rosa, state chairman of community contacts, will be a guest of Richmond club November 20.

Mrs. Newford, Mrs. Ella Scheck and Mrs. Harry Marland formed the committee yesterday.

Ford Starts Laying Off Car Markers

DETROIT, Nov. 6.—UP—The Ford Motor company today began laying off employees "to comply with the NRA code."

The first shift of several thousand workers were "dismissed" for one week to bring their hourly average down to the 35 hours maximum prescribed in the NRA automotive code. The workers laid off were told to report for work next Monday to take the places of the second shift to go on the idle list.

Ford officials revealed that the temporary dismissal does not affect all of the approximately 45,000 men on the payroll at the River Rouge plant here, but only those who have been employed 49 hours a week during the past six weeks. They estimated that 20,000 men will not be affected.

The company put the order into effect in the face of an offer by Administrator Hugh Johnson to consider an exception. "If the company really wants to keep all the men in employment," Johnson expressed the belief that the reason for the Ford layoffs was the seasonal production slump.

Company officials termed the maximum hour provisions of the code as a "prohibition against work."

WILSON P. T. A. BOARD HOLDS BUSY MEETING

A meeting of the executive committee of the Woodrow Wilson P. T. A. was held at the home of Mrs. C. E. Finney, Jr., yesterday afternoon.

Plans were discussed for presenting Chief Eagle Wing in a series of two performances of Indian dances and folk lore, the first to be given Friday, Nov. 24 for children and the second, December 5. The proceeds are to be used for purchasing tables and benches for the children's lunch room.

A committee was named to meet with W. T. Helms, city superintendent of schools to discuss reconditioning the school yard. The next regular meeting of the P. T. A. will be held Tuesday, Nov. 21, at 2:30 o'clock.

Native Daughters Will Hold Session

A business meeting of the Richmond parlor, Native Daughters will be held this evening at the Richmond clubhouse.

All members have been asked to attend as much business is up for discussion. Hattie Fraser will preside.

Church Group Will Have Busy Meeting

An important business meeting will be held by the Young Married People of the First Baptist church this evening at 7:30.

The session will be held at the home of Bert Bussoy, 420 Fourteenth street.

SIX STATES TO VOTE TODAY ON REPEAL PLANS

NEW YORK, Nov. 6.—UP—Prohibition will make at the polls Tuesday what its opponents confidently believe will prove its last and losing stand.

Voters in the two Carolinas, Pennsylvania, Ohio, Kentucky and Utah will vote on repeal of the prohibition amendment. If three of these six states vote for repeal, the 18th amendment will be out of the constitution early in December and the thirsty will drink legal liquor before Christmas.

Already 33 states have voted against continuance of the prohibition amendment as part of the fundamental law of the nation. The vote has been overwhelming. An aggregate of 11,298,995 voters have cast their ballots for repeal against 3,717,472 against it. In the list of 33 states which have ratified repeal appear such ancient upholders of prohibition as Maine, the pioneer anti-saloon state, Alabama and Idaho, the home state of the stalwart dry Senator Borah. Thus far the defeat of the prohibitionists had been sensational.

Prohibitionists have in the final battle perhaps their best chance of winning a state and at least preventing the roll call being unanimous against them.

Carolina Battle
In North Carolina the battle has waxed warm, with former Senator Cameron W. Morrison, once called the "palladium of the dries" as the leader. Former Governor Max Gardner and Senator Reynolds who, running as an anti-prohibitionist in 1932 defeated Morrison for the United States Senate, have waged a strenuous fight for repeal.

South Carolina, long a dry state, has passed through an uninteresting campaign. Anti-prohibitionists claim it will be theirs. But out west in Utah the dries have developed strength and the home of former Senator Reed Smoot, for many years opposed to liquor, may turn in another close result.

Ohio Undecided
Ohio, home and birthplace of the Anti-Saloon League, has seen a fairly brisk contest. Pennsylvania has seen even its long time dry governor, Gifford Pinchot admit defeat of a cause to which he says he still adheres and the prediction is that the "wets have it."

Drys Claim
Kentucky, home of Bourbon and the mint julep, the sixth state to vote tomorrow, is claimed confidently by the repealists.

Indications are that by midnight the fate of prohibition will be known. North and South Carolina's votes are expected early. Pennsylvania and Ohio probably will follow and if prohibition is to fall after its long reign, the coupe de grace most probably will be delivered by one of those two states and to it will go the distinction of

Webb Rules On Status of Papers

SAN FRANCISCO, Nov. 6.—UP—Newspapers are not tangible articles. Attorney General U. S. Webb ruled today in an opinion to Baron Fitts, Los Angeles county district attorney. Fitts asked the opinion at request of the editor of the San Fernando Sun.

Webb had been asked if newspapers are tangible articles and come under the fair practice code. An objection against newspapers of the shopping news type, which give away issues or sell for low cost, was made.

Enter Guilty Plea to Lewd Conduct

MARTINEZ, Nov. 6.—November 10 was set as the date for pronouncing sentence on two prominent men who today pleaded guilty to charges of lewd and lascivious conduct when arraigned before Superior Judge Thomas D. Johnson. Jacob Peterson and W. H. Durbin, both of Richmond, are the defendants. They are represented by Attorneys Leo Marcello and R. N. Collins of Richmond.

Steamship Firm to Buy Vessels

SAN FRANCISCO, Nov. 6.—UP—Permission to issue 2,250 shares of no par value common stock to purchase the ships Corrales, Zoquena and Timberman from the Los Angeles Steamship company was asked of the state railroad commission today by the California Steamship company. The vessels were valued at \$205,628, of which \$19,371 was to be paid in cash.

mal vote. North Carolina holds its convention the following day. In addition to repeal, numerous local issues are being considered in a number of elections. Numerous cities, notably New York, Boston and Detroit, are electing mayors with sharp contests. Bond issues totaling a quarter billion dollars are before voters in a half dozen states. Six cities have the question of municipal ownership before them in some form or another.

But repeal is the case which is prompting celebrations in many ways scheduled for election night.

Mrs. Hosking Will Be Given Final Services

Funeral services will be held at 3 o'clock tomorrow afternoon from the Wilson and Kratzer chapel for Mrs. Katie Hosking, 62 of 524 Sixth street, who died on Sunday.

Rev. C. G. Lindemann will officiate and interment will be in Sunset mausoleum.

Deceased, who was a native of England, had lived here for the past 15 years. She leaves a host of friends who mourn her death.

Surviving relatives include her husband, Samuel J. Hosking; a daughter, Mrs. Clara M. Fawcett; three sons, John, Gordon and James Hosking, all of Richmond. She is also survived by four grandchildren. The following brothers and sisters survive: Mrs. Sara Phillips, and Mrs. Dennis Cook of Minnesota. Mrs. Carrie Studdert and Mrs. Bearrice Student of England, Edward Curran of Arizona and John Surnow of Richmond.

Smith Last Rites to Be Held Today

Last rites will be held at Santa Rosa this afternoon at 1:30, with interment in the family plot, for J. W. Smith, 621 Twenty-fifth street who died at his home on Sunday. Deceased was 70 years of age.

Smith was a native of Santa Rosa and had lived in Richmond for the past 12 years.

Deceased is survived by his son, K. W. Smith; two sisters, Mrs. F. Frazier of Paso Robles and Mrs. Mollie G. Calgaf of Sacramento and a brother, Dr. Robert E. Smith of Sacramento.

Nissen Funeral Held on Monday

Final respects to the memory of Charles P. Nissen, pioneer local resident who died in Washington on Friday were paid at services held yesterday afternoon at the Wilson and Kratzer chapel. Rev. C. Mervil Bish officiated. Interment was in Sunset View cemetery.

Nissen, a retired business man, was a native of Denmark. He had lived at 6214 Orchard street.

authorities. The latter admitted they planned no action against sale of liquors in restaurants and hotels.

Since repeal of the Wright act, there is no state liquor law to be enforced. Chief W. J. Quinn had indicated in revealing that police would maintain a hands-off policy toward Tuesday night's celebration in hotels, restaurants and clubs.

Webb's Rules

Chief Quinn said tonight he would ask the police commission for instructions in view of Webb's opinion.

Webb's ruling added:

"Proposition No. 2—The state liquor control law—does not become effective until the state conventions have all acted on repeal Dec. 6. Section 22, article 20, absolutely prohibits the return of saloons.

Rest On State

"It provides beyond any question of interpretation that hard liquors cannot be sold, served or consumed in hotel dining rooms. Only wine and beer may be so dispensed. The mere fact of this exception shows clearly that hard liquors are prohibited.

"The exclusive duty of enforcement rests on state authorities."

Realtors Will Hold Meeting At Martinez

Over two score real estate brokers and salesmen have made reservations for dinner at the meeting of the Contra Costa Real Estate Board, which is to be held in the Travelers Hotel, Martinez, Wednesday night, in honor of the visit to their county of Hayden F. Jones, of Fresno, president of the California Real Estate association, and Glenn D. Williamson, state secretary of L. S. Angeles.

Secretary C. A. Ricks, of the local board, announced that the dinner would commence at 6:45 P. M., and those who did not attend for the dinner could come in after 8 o'clock and hear the reports of their activities from the State Association of officials. State problems, such as the sales tax, the water and power bill, new map filing acts and recent legislation participated in by the Realtors organizations, will be discussed.

The meeting will be in the nature of a fifth vice-presidential district meeting with brokers and salesmen and Solano and Napa county in attendance.

The NRA codes for real estate and allied lines will come in for explanation especially the question as to what code the building of dwellings shall come under. There is a National argument on now before the Administration regarding the inclusion of small home building with the Subdividers and Homebuilders code or with the Construction League of America's code.

The Realtors claim that the big contractors code would raise the price of home building as to stop it altogether. They claim that most of the homebuilding in America is

Sues for \$10,144, Charges Negligence

MARTINEZ, Nov. 6.—Damages totaling \$10,144 are asked by Romco Lahlie against Fred H. Van in a suit filed today. Lahlie claims his injuries received in an automobile accident on the Fish ranch hill near the Walnut Creek tunnel road intersection, resulted in his suffering a five and one-half inch cut on the right side of his back and that he was the victim of abrasions and severe mental shock.

The plaintiff states in his complaint that the accident which occurred October 7, 1933 was due to the negligence of Van.

Field Man For Federal Relief Funds is Asked

SAN FRANCISCO, Nov. 6. UP.—Directors of the California League of Municipalities have recommended appointment of Harold Pomeroy, mayor of Southgate, as field agent in California to help cities file applications and obtain benefits under the federal public works administration.

The position is to be of six months duration. A sum of \$10,000 has been made available by a foundation for the work. Mayor Farle C. Thomas of Palo Alto, a director of the California league, said confirmation of Pomeroy's appointment is expected soon.

done by the real estate brokers in the subdivision business.

A big delegation is going to the Martinez meeting from Richmond, according to Vice-President M. A. Hays, who is actively engaged in pleading the local brokers and salesmen to attend.

CHARITY RACE NOT GRANTED BY EL CERRITO

Application of the El Cerrito Kennel club to conduct greyhound racing on either Sunday, November 12th or 26th, the net profits of the most to be turned over to charity in El Cerrito and the rest of the county was laid over for one week for further information, by the El Cerrito council Monday night.

On motion of Councilman Peter Larsen the council instructed City Clerk Fred J. Prosser to ask the kennel club for more information as to what the net profits would be and asking more than twenty-five percent of the profits be given for El Cerrito work. Also to notify the kennel club that the organization to which the funds should be turned over, if the permit is given.

Councilman W. F. Weber said he understood that El Cerrito would receive twenty-five per cent of the profits and the balance would be divided between other communities in the county but the other councilmen thought El Cerrito should receive a large share.

Councilman Huber at first made a motion that the permit be denied on account of Sunday racing but it lost for want of a second.

After much discussion the council granted a permit to Bert Lentz to maintain a temporary structure for the sale of fruit at 1709 San Pablo avenue by a vote of three to two. The permit is revocable by the council at any time.

City Building Inspector A. A. Arnesen opposed the granting of the permit, stating the structure had been built without a permit and Lentz had paid a fine of \$15 for violation of a building ordinance.

Council Peter Larsen and Hans M. Nissen contended that the application should take the regular routine and be acted upon by the planning commission first.

The vote was ayes Councilmen W. F. Huber, Phil A. Lee, and Mayor Beck; noes, Peter Larsen and Hans M. Nissen.

An invitation from El Cerrito Lions to the council to attend the tree planting ceremony at Harding school at 11:30 A. M., November 20th, was accepted and placed on file.

A permit to have fireworks display on Saturday night November 11th was granted the El Cerrito Kennel club by the council.

Councilman Larsen who voted against the motion stated there was a complaint now pending against the club for having fireworks without a permit about a month ago and no permit should be given until it was settled.

The vote was, ayes: Councilmen W. F. Huber, Phil A. Lee, and Mayor Beck; noes: Peter Larsen and Hans M. Nissen.

The El Cerrito football team was granted a permit to hold a dance at Schwake hall on Saturday, November 25th.

The council of El Cerrito will meet with a representative of the Pacific Telephone and Telegraph Co. to discuss the installation of a switchboard at the city hall next Monday evening at 7:30 P. M.

Further details were requested by the members of the council on the report of Councilman W. F. Huber who said the installation of the switchboard would mean an increase of over ten dollars per month in the service.

Chief of Police R. K. Cheek and First Chief O. A. Burnett told the

been signed with Mr. Stender, and I think the matter ought to be held up.

Stender—I did not want the permit to take effect until Thursday. If the agreement is not signed, I would not want the permit.

Carlson Fails

City Attorney T. M. Carlson—There is no objection to permitting Mr. Stender to conduct the beer business, providing he is the actual owner of the beer business and is not simply representing some dealer. The city looks to the person holding the permit. The council cannot grant a permit tonight, as Mr. Stender is not in business, and he could not hold a permit and work for a beverage dealer.

Councilman Scott—I do not think the permit should be granted until it is okayed by the chief of police.

Stender—I did not know before I had to be the owner of the business to secure a permit.

Imbach Asks Action

Councilman G. F. Imbach—Why can't the council meet here Friday morning and grant the permit. This is an unemployed man, and it would give him an opportunity to go to work.

Ludewig Protests

Councilman Ludewig—The city has many matters more important before it, than the granting of a mere beer permit. Is it so important to give a man a chance to sell beer that a special meeting should be held?

Vote Plan Down

City Attorney Carlson—The council has no jurisdiction now, and cannot act on the petition.

Councilman Scott—I cannot see that this is a matter of such vital importance. These people have known for the past week what the provisions of the ordinance are. The chief of police should place his approval on the petition before it is granted.

Then came the vote on amendment of Imbach to the motion for a special meeting Friday morning with the following results:

Yes: Imbach, Hinkley, Johnson, Meyer.

No: Scott, Ripley, Tiller, Chandler, Ludewig.

This defeated the amendment, and following came the vote on the motion to lay the matter over until it was given the approval of the chief of police. All voted in the affirmative, with the exception of Meyer.

Driver Of Death Car Gets Sentence

REDWOOD CITY, Nov. 6.—UP.—Fred H. Madison, Gilroy, Calif., stable groom, was sentenced from one to 10 years in San Quentin prison today. His automobile struck and killed Francisco del Valle, wealthy landowner of Guadalupe, Mex., and his young daughter, Maria, a month ago.

State Expert Will Study Span Plans

SACRAMENTO, Nov. 6.—UP.—The state railroad commission today loaned Ward Hall, San Francisco engineer, to the California toll bridge. Hall will study traffic conditions in connection with the San Francisco-Oakland bay bridge, at a salary of \$300 a month.

council the switchboard was needed to maintain their departments efficiently as the service was very bad at the present time.

Request of Police Commissioner Hans M. Nissen to have another policeman placed on duty Tuesday, November 7th on account of celebration for prohibition repeal was granted by the council.

On the recommendation of Chief of Police R. K. Cheek the council granted a permit to A. Martinez to sell box lunches on the southeast corner of Cutting boulevard and San Pablo avenue and on sale permit to V. Figue. Central and San Pablo avenue.

Indicted Men In Strike to Face Trial Soon

VISALIA, Nov. 6.—UP.—County authorities said today that eight ranchers indicted on charges of slaying two striking Mexican cotton pickers at Pixley will go on trial in superior court here December 12.

The eight men pleaded not guilty when arraigned on murder charges. They are H. J. Santens, 40; E. G. Kruger, 39; Clarence Murray, 44; Hiram C. May, 47; Leland Thompson, 31; and Melvin Schlitz, 21, all of Earlmar, and John Allen, 38, and Roy "Smoky" Nichols, 28, both of Pixley.

The slain men were Delfino D'Avila and Dolores Hernandez.

Child Slayer Is Given Prison Term

SAN FRANCISCO, Nov. 6.—UP.—Frank W. Folan, 21 year old physical instructor, was sentenced to a term of from one to 10 years in San Quentin prison today for the death of his month-old illegitimate daughter.

Folan pleaded guilty to manslaughter. He pleaded that he was horror-stricken when he saw that the baby was deformed by a birthmark. He allegedly killed the baby with a knife and fork.

No Action Is Taken on Ball Game Protests

No action was taken by the board of managers of the Maxwell League last night at a meeting held in Oakland on the protest of the Lembrecht Fuelers nine against the decision handed the Palace Market squad.

Last week a protest was made by Lambrichts, declaring that an umpire ruled a foul ball fair during a game between the two clubs. As a result, the Market nine won the game.

The local board refused to change the decision and last night the matter was taken before the league board in Oakland.

It was announced that a decision will be made next Monday night.

Interlocutory In Mailani Divorce

MARTINEZ, Nov. 6.—Mrs. Rose Mailani of Richmond was today granted an interlocutory decree of divorce from Gactano Mailani, also known as Guido Mailani, by Superior Judge T. D. Johnston on the grounds of desertion.

Community property said to be in the neighborhood of \$35,000 was provided for in the judgment of Judge Johnston.

SCHEDULES ARE SCORED BY COUNCIL

o'clock in the afternoon. With the Standard Oil company, the last bus leaves the refinery before the last shift men lay off work, shortly after midnight, which means that many of them will have to walk home.

West Side Hit

After 6 p. m. the service from Sixth and Macdonald to the west-side is only every hour, and this section is entering its protest, and rightly.

True, the company has put on an "express service" between Richmond and Oakland but it serves no particular purpose.

Run Over Avenue

As one member of the council expressed himself, it looks as if the transportation company is attempting to give as little in return as possible.

All buses will run down Macdonald avenue from San Pablo, and this route was undoubtedly chosen in avoiding Potrero, which is very rough, and which has been neglected by the Key system for years.

Schedule Told

Mayor Walter Johnston, Councilmen W. W. Scott, Otto R. Ludewig, Frank E. Tiller, and Rev. Meryl Bish, spoke in protest of the new schedule of the bus company.

The detailed schedule of the buses will be found on another page of this morning's RECORD-HERALD.

Duce Shunts Air Head As He Takes Post

ROME, Nov. 6.—Premier Mussolini reorganized his cabinet today moving toward his conception of a "corporate state" governed largely by industrial, commercial and farm guilds.

He assumed the portfolios of war, air and navy; himself as the first step toward consolidating these three into a single ministry for national defense.

Today's shakeup was regarded as only the forerunner of a much broader reorganization of the cabinet to which he plans to infuse new life into the government and adjust it to the new system, separating the economic and political functions in government.
